TESTIMONIALS

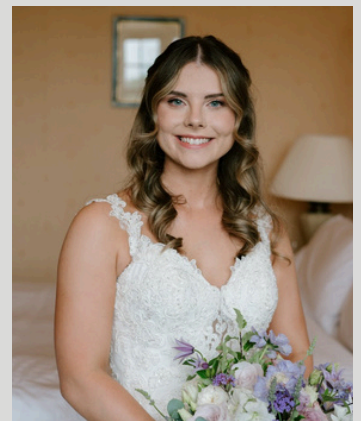

Leah, married September 2024

I got married back in September and Jen made me look and feel like a Queen! I had my trial in April and explained the look I was thinking, Jen created something even better than I envisioned! She made recommendations for my skin type and bridal style and did the same with the bridesmaids and my Mum & Nan. She's an incredible hair and make up artist and I could not recommend her enough. So lovely, made me feel calm and relaxed. Thank you so much Jen!

Georgina, married July 2024

Jennifer did mine and my bride tribes hair and make up for my special day. Jennifer was so kind, and listened to everything I wanted, and did a fantastic job with my beauty for the big day. Jennifer did a great job at communicating and also was able to bring along another beauty professional to support our group size. Jen particularly made sure my skin concerns and blemishes were covered to my liking. Everyone said how gorgeous our hair and make up was on the day and I have recommended Jennifer and Lucy to my friends who are getting married. The photos have turned out stunning with my hair and makeup Thanks Jennifer for making me feel like a celebrity.

Sophie, married July 2024

Jen was the best wedding MUA I could have asked for! Right from the outset of my trial I felt she really listened to what I wanted and created the look I was after. She is also a lovely person and fitted right in to the antics on the wedding morning! If only we could do it all over again!! Thank you so much.

Hannah, married August 2023

Jen was really friendly and professional throughout the experience from initial contact right through to the wedding day. She listened to what I wanted and I was so pleased with how she executed my look on the day with both my hair and make-up lasting really well throughout the day even through the heat.

We had a range of ages and preferences across my bridal party and she was great at adjusting to meet the different needs of each person. Jen was really patient and made sure we kept to time to create a stress free morning, I would highly recommend Jen.

TESTIMONIALS

Caitlin, married October 2023

I cannot recommend Jen enough! From the initial make up trial right through to the finishing touches before walking down the aisle Jen was so attentive, making sure my make up and hair were perfect while helping me stay relaxed. After talking through some ideas of make up and hair looks, the look Jen delivered was just like I imagined (and even better!)

Jen was super responsive and professional, she also did my Maid of Honours hair and make up and was really flexible in arranging to do mother of bride and mother of the groom hair in the morning too! A true professional and I cannot thank her enough!

Samantha, married September 2023

I cannot rave enough about Jen and the service she provided. Jen did mine, my Mum's and my 3 Bridesmaids make up on my wedding day and before the day she did a trial on me and one of my bridesmaids.

Jen was fantastic at answering my questions during the trial and later through emails. Jen is such a lovely woman; easy to talk to and get on with. She is a fantastic make up artist; I was over the moon with everyone's make up on the wedding day but especially mine. It was exactly what I wanted. I felt amazing and the make up lasted all day.

Bryony, married December 2022

Jen did my hair and make up for my wedding and I couldn't have been happier with the outcome. I did a trial with her and she really listened and took on board my feedback to refine it perfectly to my wishes for my big day. Everything lasted really well all day and night and I had so many compliments on both my hair and make up.

Jen made me feel so happy, comfortable, glam but still natural and very much 'me' with the look she created, which was important to me as it gave me a lot of confidence when I would usually find all eyes being on me a bit uncomfortable! On top of being amazing at what she does, she is such a lovely, warm and friendly person. From the first time I met her she made me feel relaxed and at ease, so was an absolute pleasure to have her with me and my bridesmaids for a significant part of my wedding morning. I highly recommend Jen for hair, make up and an all round lovely experience! Thank you :)
